### QUALITY MANAGEMENT

#### ISO 14001:2015 Internal Auditor

September 12-13, 2023 | \$795 | CEUs: 1.4

Get acquainted with the ISO 14001:2015 standards and requirements. Topics covered include ISO 14001:2015 elements and standards, how to diagnose conformances and non-conformances, details of the audit process, measures for implementing corrective action, structured steps for conducting an audit, and structures sequence of a typical audit via an interactive simulation session.

#### ISO 9001:2015 Internal Auditor

August 22-24, 2023 | \$995 | CEUs: 2.1

Internal audits are an important feature of organizations wanting to become ISO 9001 certified as a prerequisite to the "Stage 1" certification audit by a registrar. This focuses on providing participants with the knowledge needed to meet the requirements of Clause 9.2 of the internal quality standard. Participants will review the requirements for an ISO 9001 compliant QMS. They will also learn internal audit methodology, terminology techniques, and PDCA of internal auditing.
